Follow the Crowd to the M & K Shoe Store

We Point With Pride to Our Great Shoe Stock Offered
at Money-Saving Prices

Thousands of pairs of the finest shoes made make up our enormous stock of men's shoes and because we purchased this huge stock months and months ago, thus avoiding the higher prices, we can sell them to you now way under the real market value.

For instance, we can show you any number of nifty styles in black or tan high shoes in smart English styles and a great many new styles in oxfords for only

As well as an excellent lot of shoes at \$3.50 in good calf skin or vici kid in straight of break lasts.

If you want something better you'll find the greatest assortment of shoes you ever saw in all the new rich dark brown shades now so popular as well as black at \$5, \$6, \$7 and \$8.

Women's and Misses Shoes SURE TO INTEREST YOU

Not simply because we have the largest stock of women's shoes in the tri-cities but because we are offering them at prices lower than you would ever expect to pay under the present conditions.
